## **Oxygen Absorber For Food**

We provide excellent packaging material for Food Product which is to be preserved for longer Period OR exported by shipment or storage where duration between packing and reaching to end user is high and food products get damaged due to moisture.

Oxygen Absorber products from mold, mildew, bacteria, color change, taste change, insects & toxins. Oxygen Absorber helps in eliminating the need for additive, gas flushing & vacuum packaging.

**The Oxygen Absorbers will protect your product from following:**

- Remove oxygen in a packaged environment
- Absorbs up to 3 times it's a weight in oxygen
- Maintains product freshness
- Extends product shelf life
- Safe & easy to use
- FDA approved, to use with food and food related products.
